Draft Board 103 Meets With USDA

Meeting to discuss the farm labor situation, members of Daly City Draft Board No. 103 and the San Mateo County U. S. D. A. War board ironed out many mutual problems, Monday night, April 3. They met at the city hall here. Those in attendance were the local board members, Fred A. Collins, Dr. J. C. McGovern, and Otto Schramm; Michele R. Mattei, John L. Carter, Joseph H. Cunha, W. G. Scott, R. I. McLellan, Donald T. Campbell, chairman; Larry Watts, assistant secretary; Chester H. Barker, secretary, all of the county war board, and Ray T. Higgins, investigator.

The group completed their study of all 2C and 3C classifications for those under 26 and the remainder will be reviewed shortly regardless of age.

Daly City men inducted into the Army from the local board, March 31, included Leonard William Sorg, 67 Woodrow street; George John Disperati, Colma; Raymond Joseph Giusti, 191 Moltke street. The call was for a total of seven.

March 28, when twenty men under the jurisdiction of this board were supplied for the U. S. Navy, the following local men were inducted, Louis Paul Naccarini, 1166 Brunswick street; Earl V. Smith, 670 Hanover street; Byron Franklin Petersen, 282 Los Olivos avenue; Francisco Delfino, 107 Moltke street; Donald Eames, 707 Niantic avenue.

Mrs. Isabelle Flynn, chief clerk, announces that the board has received a call for 175 to take preinduction physical examinations, Saturday, April 22.

Offer Assistance On April 15 Forms

For the convenience of Daly City taxpayers in filing their 1944 Estimated Tax Declarations, a deputy collector of Internal Revenue, E. Armenio, will be stationed at the Daly City branch, Bank of America, today, tomorrow and Saturday, April 6, 7, and 8. Hours will be from 10 a. m. to 3 p. m. The declarations must be filed with the Collector of Internal Revenue by April 15, 1944.

The following single persons (married persons who have "separated" are considered single) must file declarations and if taxes are due, pay installments:

1. Those who make more than $2,700 in wages that are subject to withholdnig by employers.
2. Those who make more than $100 from sources not subject to withholding, provided their total income, regardless of source, is expected to be $500 or more.

The following married persons (who have not "separated") must file declarations, and if taxes are due pay installments by April 15:

1. Those who have a total income of more than $3,500 in wages that are subject to withholding by employers.
2. Those who make more than $100 from sources not subject to withholding provided that—(a) their combined income, regardless of source, is expected to be $1,200 or more, or (b) one individual income, regardless of source, is expected to be more than $624.

While members of the armed forces are not exempted from filing tax declarations, the first $1,500 of pay for each member is not taxable. This makes it unnecessary for most of them to file declarations.

Sunrise Easter Service

Chaplain Hugh M. Miller, of the United States Coast Guard, will preach the sermon at the twenty-second annual Sunrise Easter service on Mount Davidson, April 9. The service will begin at sunrise, 6:44 a. m., with a prelude by the San Francisco Municipal band under the direction of Philip Sapiro.

The anthem will be sung by the Sunrise Easter chorus under the direction of Eugene Fulton and Claude A. Ward.

Extend Red Cross War Fund Drive

Mrs. Joseph Conlon, hard-working chairman for the women's division of the 1944 Red Cross War Fund drive in Daly City, announced, last weekend, that the county committee had decided to continue the campaign until the $234,000 quota is fulfilled.

Although the drive was scheduled to end, March 31, it was the unanimous decision of War Fund leaders that San Mateo county cannot be allowed to fail in an undertaking which strikes so close to the hearts of every local citizen.

Daly City had a quota of $8,000 to meet and is just well into the $4,000 bracket now. This means that additional contributions from those already giving once and from those who have failed to assist at all must make up the difference some time in the next few weeks. To make it easier for those on whom a solicitor did not call, or who were not home when the solicitor came, several centrally located places have been designated where subscriptions will be taken. The Daly City branch, Bank of America, will take donations as will the Daly City Water department, 75 Wellington

ANDERSON HERE

Congressman John Z. "Jack" Anderson will be guest of honor at the Wednesday, April 12, luncheon meeting of the Daly City-Colma Lions club, at Colonial Drive Inn.

Anderson will have the opportunity to return home to participate in the campaign now being waged by friends for his re-election because the Congress of the United States took an Easter recess. He has represented the Eighth district, which includes San Mateo county, in the House of Representatives for three terms.

Police Investigate Sunday Accident

Police news for the past few days included the usual items like unruly customers at local bars, lost children, quarrelsome couples, traffic violations, youngsters who damage property, and lost ration books, as well as the following more important cases:

Sunday, April 2, at 6:55 p. m. Sergeant Ricco Benedetti and Of-

Voters To Select Two Councilmen, Clerk, Treasurer At General Municipal Election

After one of the most dignified municipal campaigns in its history, Daly City will go to the polls, Tuesday, April 11, to elect two city councilmen, a city clerk, and a city treasurer.

Since neilther the incumbent city clerk, B. C. Ross, nor the incumbent city treasurer, Mrs. Florence Stockton, are opposed, main contest naturally centers in the campaign over the two council posts. Incumbents are John J. Fahey sr. and Edmund Cavagnaro. They are opposed by Burton L. Meritt and Edward J. Dennis.

There are 4,087 local residents properly registered to participate in the general municipal election, April 11. This newspaper urges that every voter go to the polls, election day. Polls will be open from 6 a. m. to 7 p. m. and the city clerk has sent a notice of election with a designation of polling place and a sample ballot to each registered voter.

Many Restaurants Fail To Register

Many Daly City restaurants have failed to file their declarations under the new Order No. 1 which establishes prices for basic food items, according to Miss Genevieve Blue, chief clerk at Board No. 83-12-3, OPA, which serves this area. This must be done at once, Miss Blue pointed out.

The group rating for each individual eating place is arrived at by using the following three prices, ham and eggs, ham sandwich, and American cheese sandwich.

The restaurant rollback order covering 19 a la carte items and one club breakfast went into effect here, April 1. Prices which the individual restaurant may charge depend upon the classification in which it falls, and each establishment must post its classification in a prominent place, as well as carry the new information on the menu.

The local OPA board is located at 470 Grand avenue, South San Francisco, and Miss Blue urged immediate compliance with the new regulations.

Baseball Fans See Two Close Games

Daly City baseball fans were treated to two close games, played at Marchbank park, Sunday, as the Daly City Juniors beat out the Amazon Boys club, 4 to 3, and Bay Meadows took a close 2-1 decision from Fort Baker.

Junior players in the morning game were closely matched, each team making a total of seven hits. Battery for the home town club was Ritchie, Marioni and Marsh; for the Amazon boys, McLaughlin and Ryan.

Veteran Walter Lister, in the afternoon contest, held the Fort Baker team to four safeties, while striking out eight, teamed with Catcher Volkman. Visiting Pitcher Hooven contributed three of the servicemen's hits, and gave up only seven to Bay Meadows batters, also racking up eight strikeouts.

Next Sunday morning's game for the Daly City Juniors has been cancelled, due to it being Easter Sunday, according to Manager Charles Norry. At 2:30 p. m. the veteran Jeffersons, widely known club, will meet a service squad from Fort Cronkite, on the Marchbank diamond. Jefferson Pitcher Alviso will oppose Guinn for the soldiers.

Starting Saturday, April 8, weekly games are being planned for Daly City's youngsters, under 15 years of age. Norry has consented to take charge and plans an ambitious program of contests with similar outfits from neighboring playgrounds in San Francisco. This week the Daly City Cubs are scheduled to meet an Amazon playground group, starting at 1 p. m.

NO COURT

Judge William J. Sweeney announces that there will be no city court session, Friday, April 7. All cases slated for Good Friday will be held over to April 14.

Last week's fines included $2.50 paid by Stanley A. White, 727 Pine street, for stopping in the cross walk, and $2.50 paid by William Grassi, 37 Edna street, for going through a stop signal.

Gasoline

Monsignor Egisto Tozzi, chairman of the local Office of Price Administration, made an announcement, this week, of interest to Daly City candidates and campaign workers. He revealed that persons engaged in transporting voters to and from the polls on election day might obtain gasoline for such purposes by applying to the local board, 470 Grand avenue, South San Francisco.

Specifically the regulation, Gasoline Ration Order 5C-Section 7851 (b) (ii) states that supplementary gasoline may be issued "to carry persons to and from the polls for the purpose of voting in public elections, or to act as duly appointed election officials or poll watchers, or by a bona fide candidate for public office for purposes essential to the prosecution of his candidacy."

Polling Places

Designated polling places for the election are Company No. 5 firehouse, 337 Bellevue avenue; Company No. 4 firehouse, 101 Peoria street; Rancatore's place, 99 Evergreen avenue; Denning's place, 151 Wellington avenue; Company No. 1 firehouse, 188 Santa Barbara avenue; Iron's place, 4 Woodrow street; Company No. 2 firehouse, 498 Santa Barbara avenue; H. Walter's place, 229 Citrus avenue; Company No. 6 firehouse, 160 Werner avenue. The complete list of election officers was published in a city legal in the February 17 Record.

General Information

Registration for the city election closed, Thursday, March 2. Public notice of election officers appointed was made by the city with the publication of a legal notice in the Daly City Record, February 17. For each polling place an inspector, a judge, and two clerks have been appointed.

As a final reminded from The Record—DON'T FAIL TO VOTE! The date is Tuesday, April 11, and the hours during which the polls will be open are from 6 a. m. to 7 p. m.

Outcome of the election will be reported in the April 13 issue of the Daly City Record. Both tickets are represented in the advertising columns of this week's issue as well as in the "Meet the Candidates" section.

Residents Check Service Honor Roll

Many relatives and friends of Daly City's service men and women have already called at the city hall, 75 Wellington avenue, to see if the honor roll plaques include the names of men and women they know to be in the service. Any omissions will be corrected at once if word is left with the police department at the city hall or with Councilman John J. Fahey, 3 Wellington avenue, who has handled the installation of the attractive service boards.

The city council wants to have the name of every local man or woman serving in the armed forces on these plaques and asks that residents inspect them to insure that the lists are complete.

The names of those meeting death in the defense of their country have been marked with a gold star.

Girls Celebrate At Joint Birthday

Girl Scout Troop No. 1 and Brownie Scouts No. 7 celebrated their fourth birthday at a joint party, March 29, at Pershing school.

First part of the program was devoted to the Brownies. This group was presented with a handsome American flag by Al Hale, and a flagstaff by Robert W. Pool.

Mrs. P. J. Becker, leader, announces that the following girls received attendance pendants: Barbara Anderson, Lorraine Bergstrom, Carol Clarke, Barbara DeLucci, Adele Hansen, Diane Hale, Dolores Mason, Florence Matteoda, Arleen Pool, June Prescott, Janet Raynor, Jean Eliasen, Christine Quickert, and Nancy Chronister. Two girls received their wings and "flew up" to Troop No. 1, Christine Quickert and Nancy Chronister.

Mrs. Becker announced that the committee which had served with her so ably included Mrs. Ann Eason, Mrs. Maisie Boyle, Mrs. Cecelia Hale, Mrs. Janet Delucchi, Mrs. Joseph Gehrig, and Mrs. Raymond F. Pabst. Assistant leaders are Mrs. Marie Pool and Mrs. Cecelia Hale.

Both the Brownies and the Scouts enjoyed the huge birthday cake which was lettered "1940-1944."

When the Girl Scouts presented their part of the program, the flag ceremony was led by Alma Becker and the Promise was conducted by Madelyn Mejia. During the Court of Awards the hostess badge was presented to Eleanor Quickert; the first aid badge to Theresa Mabon and Beth Anne Calvin; troop dramatics badge to Elizabeth Olson; attendance stars to Alma Becker, Eleanor Quickert, Beth Anne Calvin, Rose Marie Heffron, Jean Siino, Joan Wimbley, Gerrie-Lou Haley, Marjorie Kruse, Carleen Leach.

The "fly up" ceremony was conducted by Marjorie Kruse.

Guests of honor received corsages of spring flowers. They included Mrs. Becker; Norma Moore, who is transferring to Troop No. 4, and Madelyn Mejia, who also received a gift. The Brownies presented each Scout with a crepe paper favor.

Mrs. J. S. Calvin is leader of Girl Scout Troop No. 1. She announces that on the day of the party the girls donated their weekly dues to the Red Cross.

Troop No. 1 is not meeting this week. Next meeting will be, Thursday, April 13.

Central Creamery Has New Manager

Mrs. John Redmond, the former Miss Lena Gamba, has taken over the management of Central Creamery, 6331 Mission street, where she has been employed for some time. Albert Pulley, who has operated the creamery for the past four years, turned the popular eating establishment over to her, April 1.

Pulley, a member of the Daly City-Colma Lions club, makes his home at 98 San Joaquin avenue.

Mrs. Redmond, known as "Lena" to literally hundreds of hamburger-and-sundae devouring fans here, is expected to be very successful in her new venture.

WEDS IN NEW YORK

Miss Virginia Jeffries, daughter of Mr. and Mrs. W. T. Shives, 573 Hillside boulevard, became the bride of Michael Dokla in New York City, February 22. Her mother accompanied her to the East coast for the ceremony.

Dokla is a member of Louis Prima's orchestra, which will be remembered by many local residents who heard it at the Golden Gate theatre in San Francisco.

The couple is residing in New York City at present.

The former Miss Jeffries attended Jefferson Union high school.

Mrs. Nellie Eichoff Succumbs To Illness

Mrs. Nellie E. Eichoff passed away, Tuesday morning, April 4, at the home of her daughter, Mrs. V. Parritt, 701 Crocker avenue, after a lengthy illness.

W. C. Lasswell and company is shipping the remains to Stockton, California, where interment will take place, Saturday, April 8.

Mrs. Eichoff is survived by another daughter, a son, and several grandchildren.

Held by his sweetheart (Anne Baxter) and the friendly elder of the village (Walter Brennan), the youthful patriot (Farley Granger) lies wounded and blind, after his heroic stand against the German invaders. The shot is from Samuel Goldwyn's Russian war picture, "The North Star," now at the Daly City theatre.

Port Security Needs Volunteers

Fifteen Daly City residents are in the U. S. Coast Guard Volunteer Port Security Force which helps guard the San Francisco waterfront, but more volunteers are wanted from this area.

"As a member of the Volunteer Port Security Force you enjoy the unique privilege of serving in your country's military forces while still being able to stay at home and meet your family and business obligations," Boatswain Joe Mather announced. Mather will be glad to supply particulars to interested local people at 6041 Mission street, saving them a trip downtown.

Enrollment is for the duration of the war. Application forms may be secured at the regiment headquarters, 244 California street. Every man and woman who becomes a member of the force is sworn in as a member of the U. S. Coast Guard Temporary Reserve. The service requires a minimum of 12 hours per week.

Five Township Clubs of San Mateo County

March 31, 1944

Mr. Edward J. Dennis
Daly City, California

Dear Mr. Dennis:

The Five Township Clubs of San Mateo County in meeting duly assembled, wholeheartedly endorse your candidacy as Councilman of Daly City.

In taking our position on this important question it was urgent and very important that careful and due consideration be given to the qualifications of all candidates and why they were seeking election.

These seem to be days of grave and serious decisions. In many parts of the world, the people are facing the most decisive problems of their lives. The American people are being called upon to make many momentous decisions that will affect the future welfare and history of the entire world.

Likewise, the people of Daly City are now confronted with a serious problem—the election of two Councilmen—the consequences of which will affect the future progress and effectiveness of our local government. There can be but one logical and sound decision to render, that of deciding what is best for the future welfare of the people of Daly City.

With your experience gained in union and fraternal activities and the knowledge gained by your careful study and close contact with civic problems, make your candidacy of worthwhile benefit to the people of Daly City.

Your candidacy as Councilman, we recommend to the voters of Daly City with this thought foremost in mind; "When in the judgment of a majority a condition adversely affecting our city arises, our right and privilege is to rectify that fault. We are justified in securing this much needed change."

Our best wishes for your continued success, for a more progressive plan for the future of Daly City.

Respectfully yours
Vernice Lorenz, Asst. Secretary

Edward J. Dennis

A STRAIGHT-FORWARD CAMPAIGN

This week the campaign for Daly City council posts nears a close. The Better Government Club of Daly City has participated in this campaign, as it did in 1942, not with any intention of controlling city government, because this organization has not, nor would not even extract a promise from any candidate it supported, except assurances of faithful and loyal public service.

The candidates supported by the Club have set forth issues akin to those in which this organization is deeply interested, and they have set forth those issues in ample time for any reply from the two incumbent councilmen, asking you now to re-elect them. The only reply has been vague generalities, meaningless and without point.

Candidates sponsored by this Club have been specific in discussing things they believe of vital importance to Daly City, now, in the post-war era, and in the future to follow. They have placed particular stress upon Daly City's progress and development, the building of a greater community to include adjacent areas as they develop in the future.

This may seem an ambitious program, but ambitious men have made America great. The Better Government Club believes Daly City has a brilliant future, and this Club's only interest in city government is to insure that we have men in public office ready, capable and courageous enough to meet the future.

In the past the Better Government Club has attempted to do the research work we know our citizens have not the time to do. The results we have advanced following our research we have presented to you honestly and fairly, and we are deeply appreciative of the fact that your response has been an expression of confidence in our attempts to keep you informed on the important issues upon which you are called upon to vote at city elections.

Five Township Clubs of San Mateo County

March 31, 1944

Burton L. Meritt
Daly City, California

Dear Mr. Meritt:

The Five Township Clubs of San Mateo County in meeting duly assembled, wholeheartedly endorse your candidacy as Councilman of Daly City.

Seldom have we had greater need for vision and courage in our leaders and ourselves. We need vision to reconstruct democracy so as to leave the franchise "open to all," while limiting office to trained intelligence.

We fully realize that our government is faced with problems that involve the lives of all the people, therefore, new ideas are needed to solve these problems and plan for the future.

With your keen insight into civic affairs, we realize that by your election it will give the people of Daly City, management of their public business, dedicated to government for all the people and not for a certain few.

Your ability is demonstrated by a successful business career, and the knowledge gained by your service so faithfully rendered for our Fire Department, our civic, fraternal and patriotic organizations, guarantees an honest, unashamed desire to be of service to all the people.

We take pride in recommending your candidacy to the voters of Daly City, this motto foremost in our minds, "they that live and work in the present, should plan for the future." There can be but one logical and sound decision for the voters to render on April 11, 1944.

Elect Meritt and be sure of a progressive future.

Respectfully yours
Vernice Lorenz, Asst. Secretary

NOW IT'S UP TO YOU

We come now to the question of community responsibility, and community responsibility means the obligation of citizens to interest themselves in the type of government that determines their well-being, and the destiny of their city.

Community responsibility means, also, the participation of every clear-thinking citizen in the conduct of his community affairs, especially his community government. Never in history has the question of government been more important than it is now. Never has the American way been subject to greater challenge.

It sums up to this: How well a community is governed depends upon its citizens; how well a county is governed depends upon the calibre of government in its communities; how well a state is governed reflects its county government, and how well a nation is governed depends upon the type of government in its various states. So the fundamental unit is local government.

The Better Government Club of Daly City urges the citizens of this city to ponder this evolution in government, and in so doing take deeply to heart the responsibility that rests upon each of us. By all means vote Tuesday in your city council election, and thereby play your part in the type of government you may expect from your county, your state and your nation.

This campaign is virtually over now and the Daly City Better Government Club, and the candidates it sponsors are happy that there has been no vilification nor personalities. We are sincere when we say we hope there will be nothing to mar this fine record. However, in the past it has been the policy of some candidates for office to resort to last-minute vindictiveness and recriminations. If there should be in this campaign, and we trust not, it may be necessary for us to reply by circular. If not, this is our last word to you in this campaign: VOTE TUESDAY, AND VOTE FOR THE BEST YOU CAN GIVE DALY CITY —

Jefferson High Holds Night Rally

A night rally was held at Jefferson Union high school, Tuesday evening, March 28, to celebrate the successful completion of a P-38 bond drive. Last September the students set as their goal for the school year the purchase of this pursuit ship, but bond sales have been even better than expected and the goal has already been achieved. Considering that the cost of this plane is $75,000 and that the total students at Jefferson numbers only 613, the raising of funds for a P-38 in less than seven months is no small achievement.

Featured at the rally were the Western Defense Command band and a P-38 pilot, Captain Robert Howard, of Oakland. The band gave an outstanding performance, creating a sensation with their renditions of "The Volga Boatman" and "The Anvil Chorus." Singers Jimmy Fitch and Al Arriola were highly popular with the audience.

Youthful Captain Howard, returned air ace, told a vivid story of his adventures when flying against the Japs, and compared the U. S. P-38 pursuit ship with the Jap Zero.

In charge of stamp and bond sales at Jefferson is a committee consisting of four pupils. Some of their most successful ideas for the stimulation of sales of stamps include:

An assembly at the end of each month, admission to which is by investment in war stamps.

A dart-throwing game. Darts, representing bombs, were given to each stamp purchaser and were thrown at a large map of Japan drawn on plywood. Five free throws were given for a direct hit on all cities but Tokyo; for a Tokyo hit, ten free throws were given.

To stimulate bond sales, the Stamp and Bond committee has had a different feature each month. The most successful of these have been:

Boy-girl competition.

Favorite Services competition ((Army vs. Navy vs. Marine). When buying stamps and bonds, the pupils stated their preferences regarding the services.

Team competition. The number of members to a bond-selling team was limited to six.

Another feature throughout the year has been the Honor Roll. Each month the two best workers have their names added to the parchment honor roll of students outstanding for their patriotic work in the bond drives.

The students are proud of their accomplishments. Not only have they purchased a P-38 since September, but they have been flying the Treasury Flag for each month for well over a year.

Honor roll of the best bond buyers, September, 1943 through March, 1944, includes the following students: September, Eva Claus, Harry Kent; October, Eva Claus, Louise Terry; November, Verna Moresco, Elizabeth Newton; December, Roberta Romer, Eloise Harrison; January, Jack Ferro, Bud Fellows; February, Lorraine Sanders, Jack Ferro; March, Eva Claus, Louise Terry.

Plan Easter Dance For Service Center

This week's program at the Daly City Servicemen's club, 6201 Mission street, will be highlighted with an Easter dance, Saturday night, April 8. Gay decorations, refreshments, including plenty of colored eggs, and music will make the evening a festive one. The junior hostesses will wear evening gowns for the occasion.

Hostess organization, currently, is the Women's Civic club. Plans for the week of April 9 are indefinite.

The campaign to collect empty coffee jars for the club will be concluded, tomorrow morning, April 7. Local residents still wishing to turn in the jars to help the club raise "pin money" are invited to take their empty coffee jars to the club, 6201 Mission street, by tonight, April 7.

The committee thanks all who have donated jars.

Starting Monday, April 10, junior hostesses will be at the center every week day night from 8 to 11 and on Saturday evenings from 8 to 12.

CIVIC LEADER SEES UNIQUE SITUATION

Voters of the Eighth Congressional district in the election of their Congressman this year, are faced with a situation unique in California political history, according to Glenn R. Baker, widely known civic leader and business man of the district. The situation will develop at the May 16 primary, when Congressman Jack Anderson will seek re-election.

Baker pointed out today that Arthur L. Johnson, who seeks to replace Anderson on the Democratic ticket, filed his candidacy in Los Angeles, because he was a legal resident of that community, and not the Eighth Congressional district, which comprises the counties of San Mateo, Santa Clara, Santa Cruz and San Benito. In addition, Baker points out, Johnson ran for Congress on the Republican ticket in Los Angeles in 1936, and was repudiated. Now, Baker adds, Johnson is posing as a Democrat.

Police Investigate

(Continued from Page 1)

ficer Henry Sundermann jr. investigated an accident in front of Jefferson Union high school. A Ford sedan going north on Mission street struck a Plymouth coupe belonging to Mrs. Albert Brieder, Menlo Park, in front of the Golden West Auto court. Then the Ford continued north on Mission, east on Gambetta, and south on Hillside to Bismark, finally rolling over an embankment onto the property of G. Marsigli. The driver escaped.

The Ford was registered to Earl Pfeiffer, 119 Stillings avenue, San Francisco, and it had been reported to the San Bruno police as stolen while the owner was in a show. Local Police notifed the owner of the damaged Plymouth.

Police are investigating a burglary at the home of Mrs. Viola Preston, 438 Winchester street. They received a report at 5:35 p. m., April 3, that the home had been entered and that a cedar chest had been broken and a $270 Elgin watch stolen. The radio was smashed as were pictures on the wall. In the basement the prowler broke three rifles stored in a closet. Sergeant Benedetti investigated the case and Police Chief James G. Reardon is checking suspects.

At 12:55 a. m., April 2, property damage resulted when an auto accident occurred between cars driven by Robert Bettencourt, 274 Broad street, San Francisco, and Beryl Payne, South San Francisco at Acton and Winchester streets. Officers Roland A. Petrocchi and Roy Beecher investigated.

March 31 at 9:25 a. m. Chief Reardon received a report from Tony Schulba, 6026 Mission street, that approximately forty pigeons had been stolen from his back yard the preceding evening.

March 30 at 4:10 a. m., Officers Beecher and August Benassini and Police Chief Reardon noticed a green Mercury Ford, which the San Francisco Police department had broadcast as stolen, driving through Daly City. They gave chase and apprehended the driver, a juvenile from San Leandro. The boy was taken to juvenile court and the car impounded for turning over to its rightful owner, Mrs. J. R. Phillips jr., Long Beach.

WE REPORT TO THE VOTERS

Certain "questions" have been advanced by our opponents in the city election, April 11, concerning our records as city councilmen for Daly City. They are not clear-cut questions, but insinuations designed to cloud the real issues at stake. Some are based on simple misunderstanding of public affairs, while others are deliberate distortion of the truth.

Believing that, since the issues have been raised, the voters are entitled to full knowledge of these matters, we take this space for their explanation. Step by step, we wish to give you the true facts, all of which are a matter of public record.

(1) The "Better Government Club," which has nominated and at least partly financed the campaign for Edward Dennis and B. L. Meritt, claims "Daly City's tax rate of $1.09 is not low."

The tax rate for any city is broken down into funds for specific uses; for the general fund, or operaitng expenses, and to retire the several bond issues voted by the people. Since the general fund is the one which may be controlled by expenditures by the city council, let's use that for purposes of comparison:

Daly City's rate for the general fund is 78½c; San Mateo's, 94c; Burlingame's, 85c; San Bruno's, $1.00; South San Francisco's, $1.00.

(2) The "club" charges: "The two incumbent councilmen are playing politics with the social and economic well-being of our city employees by their arbitrary and persistent refusal to grant all city employees a living wage . . . "

During the past year, city employees have been given wage increases totalling almost $10,000. These increases ranged from 10 to 33 per cent per person, and were given to meet rising living costs.

(3) "Not a single step has been taken toward providing retirement security for city employees . . . " says their announcement.

Retirement security for city employees has been given considerable attention, and such plans are now in the hands of a committee of these employees, whose action the council has been awaiting for some time.

(4) The group questions the people "being forced to pay nearly 7½ cents tax rate for the water works reserve fund."

This fund provides for capital outlay only, and is not for operating expenses. Present reserves are being set aside for connection with the San Francisco water supply for stand-by purposes.

(5) Another statement: "The two incumbent councilmen now seeking reelection are directly responsible for the present setup in our police department, which is ridden with strife and disunity."

The police commission, governing body for that department, comprises three members of the city council. Until a few months ago, these were the three men who were seated, in 1942, by the "Better Government Club," and at present two of them act in that capacity. Any action the "club" deems necessary could thus come from their own men, who would seem to be in charge.

(6) The opposition denies that Daly City has one of the finest fire departments on the peninsula, and that insurance rates were lowered through any efforts of the incumbents.

Daly City's department has the finest and latest equipment available at the outbreak of the present war. As a result, fire underwriters have granted to local property owners the lowest rate given any city without a paid fire department. If the city spent a million dollars for equipment it could not further reduce this rate.

(7) They say "The most ridiculous of all their acts is undoubtedly the installation of a radio system in the police department which enables the patrol cars to contact the station, but the station cannot contact patrol cars."

The system is identical with the one used by military and naval police in patrolling San Francisco, except that in their case the cars cannot contact the station directly. Aside from this fact, no city money has been spent on the system, since it was installed on trial, and will not be purchased unless it does prove adequate.

(8) Again, "their statement that Marchbank park is one of the finest baseball lots in the state is true, but who is permitted to use it?"

The baseball diamond is available for any group wishing to abide by necessary rules as to previously booked games and watering schedules. Teams are booked on a "first come, first served" basis, and youngsters play throughout the park every day, as weather permits. There is no basis for such statements.

(9) Finally, "In building the city hall the two incumbent councilmen were responsible for the construction of a building smaller than the old city hall, and which is utterly inadequate for the proper handling of the city's present business."

We say the new city hall provides more usable space for conducting the city's business than did the former building. Much of the space is not now being used at all, and considerable additional space has been loaned for use by the federal government during the war emergency. We say the space will be adequate for many years to come.

We feel flattered that the "Better Government Club" has seen fit to concede absolute control over city affairs to we two, who are members of the five-man council. This is more impressive if you remember that the other three men were the club's own selected candidates in 1942.

We believe the voters will not be fooled by these foggy insinuations, and by the club's advocating on one hand, the lowering of taxes, and the careless expenditure of city funds, on the other.

FROSTED EGGS

9 eggs
½ cup milk
1 tsp. salt
¼ tsp. white pepper
2 tbsps. butter, margarine or shortening
6 toast rounds

Beat 6 whole eggs and 3 yolks together lightly; add milk, ½ teaspoon of the salt, and ⅛ teaspoon of the pepper; beat well. Cook eggs slowly in melted butter, margarine, or shortening, in frying pan until just set, stirring occasionally. Place in individual casseroles or on top of rounds of buttered toast, arranged on an ungreased baking sheet. Frost with egg whites beaten until stiff but not dry, and seasoned with remaining salt and pepper. Bake in moderate oven (350° F.) about 15 minutes or until whites are a golden brown. May be served with crisp bacon. Serves 6.

½ cup cold water
2 cups milk
1 cup mayonnaise
1 tbsp. onion juice
2 tsps. lemon juice
2 tsps. prepared horseradish
½ to 1 tsp. salt
3 drops yellow vegetable coloring
8 hard-cooked eggs

Soften gelatin in cold water. Heat milk. Add to softened gelatin and stir until gelatin is dissolved. Add mayonnaise, seasonings, vegetable coloring, and finely sieved egg yolks; stir well. Chill until thick and syrupy. Fold finely chopped egg whites into mixture. Pour mixture into 4-cup ring mold. Chill until firm. Unmold on large platter. Fill center with ham, fish or chicken salad mixture. Serves 12.

And for dessert (and here I am still talking about *eggs*, which are relatively plentiful this Spring), how about topping off Easter dinner with sweet-filled

HARD MERINGUE

3 egg whites
½ tsp. salt
¼ tsp. cream of tartar
¾ cup sugar

Beat egg whites until foamy; add salt and cream of tartar, and continue beating until egg whites become stiff and dry. Add sugar gradually, 2 tbsps. at a time; continue beating until meringue is stiff and forms sharp peak. Form meringue shells with pastry tube, or drop by tablespoonfuls for puffs, on slightly greased heavy paper; place on baking sheet. Bake 1 hour or until dry in slow oven (275° F.). Remove from paper and cool. Makes 6 to 8 cases, which can be filled with ice cream or custard or whatever strikes your Easter fancy!

Helen Traubel To Give Concert

Helen Traubel, magnificent dramatic soprano of the Metropolitan and one of the greatest living American Wagnerian artists, comes to the Opera house, Sunday afternoon, April 16, as the final attraction on the current series of the San Francisco Opera association.

Her appearance here follows in the wake of one of her greatest operatic seasons which earned her the title of the "Metropolitan's All-American First Lady". She earned this title as the successor to the mantles of Lehmann, Nordica, Gadski Leider and Fremsted in Wagnerian roles. Miss Traubel is proud of the fact that she is the first native singer in forty years to carry the principal singing burden of the Met's uncut Wagner Ring.

A native of St. Louis, Miss Traubel's first teacher was her mother, a concert singer of note in the Middle West. It was Walter Damrosch, however, who really discovered Traubel and started her on her career.

Tickets for Miss Traubel's concert are now on sale at the Opera box office, Normandy lane, City of Paris, EXbrook 8585.

Adult Center Opens, April 10

The Adult Center at San Mateo junior college will open its spring quarter registration, Monday, April 10, and carry on its sections until June 9, the college office announced today. A large selection of courses is open to adults, with many of the sections meeting at night, though a number are offered during the day. Over 60 sections are open to the public, offering training in art, language, radio, drama, mathematics, English, Americanization, drafting, office work, ceramics, woodshop, and many defense courses as well as numerous others.

The Adult Center little theatre, busy with programs and plays at military camps and hospitals, still finds time to rehearse the comedy, "Yes, My Darling Daughter", which will be offered to the public, April 21, 22, 28 and 29 in the junior college auditorium.

Transamerica Issues Report

Audited annual report of Transamerica corporation released today by the chairman of the board, A. P. Giannini, shows net profit for the corporation and all domestic subsidiaries for the year 1943, after provision for taxes and minority interest, of $15,482,716.27, equivalent to $1.55 per share on 9,982,000 shares outstanding.

This compares with net profit of $9,161,625.12 in 1942, or 90c per share on 10,090,000 shares outstanding at the time.

During 1943, according to the report, 108,000 shares of Transamerica corporation stock were acquired and retired to corporation treasury.

Capital stock and surplus, it was shown, totalled $87,115,066 at December 31, 1943, compared with $81,629,398 the year before.

Mrs. America Meets War-Time Rationing

Removal of expiration dates on food stamps will not change Mrs. America's budgeting of family purchases of rationed foods. For there is no change in the rate at which red and blue stamps will become good. Three red stamps—each good for ten points—will be validated every second Sunday, making a total of 60 points a month for the purchase of meats and fats. Five blue stamps—each worth ten points—will become good the first of every month. So the monthly budget for purchasing processed fruits and vegetables is 50 blue points. All of these red and blue stamps will be good indefinitely.

The comfort of spring filled furniture, manufacture of which is now permitted by the War Production Board, should not cost Mrs. America more unless it cost the manufacturer more to produce. For OPA regulations provide no change in the retail price of articles which are produced at the same cost as previously. On the other hand if the manufacturer starts making furniture with springs and it costs him less to produce than pre-war goods, this furniture will cost the customer less.

Mrs. America can reach into the processed foods picture today and pull out a plum minus ration points—to be exact plum jam. For both plum and fig jams can now be purchased without points. These jams have not been moving and the production was unusually heavy. So they have been made point free.

Here are some official points for housewives planning to buy ham for Easter holidays. Ready to eat hams which are one point lower than in March will take the following expenditure from the family pool of red stamps: bone in, whole or half, four points per pound; bone in, slices, seven points; butt end, four points; shank end, two points; and boneless and fatted, slices, seven points; picnic or shoulder, bone in, two points; or boneless, three points or sliced four points. Point values of fresh hams range from one to six points.

APRIL 15 TAXES

Maybe you're just recovering your breath from the March 15 income tax report, but it is already time to get started on your Federal income tax estimate for 1944 and your California income tax report for 1943. Both of these must be in not later than April 15.

You must file a Federal estimated income tax report if you are in one of the following classifications: single and earning $2700 or more annually; married and earning at least $3500; or if you have an annual income of $100 or more from sources other than wages or salary.

If your income for the year is too uncertain to make such an estimate, you are permitted to make your first quarterly payment on the basis of last year's income. Adjustment can be made later in the year when you are able to determine more accurately what your income for 1944 will be.

As to the State tax, remember that exemptions are $2,000 for single persons and $3,500 for married couples plus $400 for each dependent.

The principal thing is to get started immediately with your figures so that you won't develop that "four o'clock shadow" under your eyes during the last night or two before the deadline date.

EASTER

The calm light of Easter breaks faintly on the Eastern horizon re-awakening the hope and faith of humanity and bringing the assurance that the "night is far spent, the day is at hand."

Down through the centuries the miracle of Easter has been relived in the hearts of men inspiring new devotion to the teachings of the Nazarene as expressed in the true brotherhood of man.

In this somber year of 1944, the spirit of Eastertide will bring to those who toil within the "tomb" of Europe fresh courage to carry on until the freedom-loving peoples of the earth can roll away the great stone of tyranny and lead them forth into the full radiance of the morning light.

We celebrate Easter not alone in religious ceremony but in our efforts to make a better world, in showing kindness to our fellow man, in the restraint of bitterness, prejudice and hate.

Over 1900 years ago—as today—the rulers of the "powers of darkness" sought to crush out the Christ teachings. Yet the cross and the tomb served only to bring a clearer recognition to mankind of the profound truths which the Master Christian had uttered in his brief, three-year ministry.

The tyrants of today are learning the age-old lesson that Truth can no more be destroyed than the light of day can be permanently extinguished.

Phillips Brooks wrote:

Tomb, thou shalt not hold him longer;
Death is strong, but Life is stronger;
Stronger than the dark, the light;
Stronger than the wrong, the right;
Faith and hope triumphant say
Christ will rise on Easter Day.

Telephone Co. Thanks Public

Appreciation for the cooperation and understanding shown by the public in helping to meet the present war emergency situation regarding telephone installations was expressed, this week, by N. R. Powley, president of the Pacific Telephone and Telegraph company, in a statement accompanying the dividend checks mailed today to common shareholders, according to word received by Lyle M. Brown, division manager of the company.

Powley stated:

"With a thorough realization of the indispensability of the telephone in our nation's war program, our company is using its facilities, restricted as they are by the stringent war limitations on materials and the manufacture of telephone equipment, to install without delay all services classified as being directly connected with the war effort, or necessary to public health, welfare or security. Although the installation of other services, necessarily subordinated to those in the war priority classifications, cannot be made as rapidly as applications are received, everything possible is being done to provide service, over-burdened as our telephone plant is. With the margins of our spare facilities generally depleted, installations for waiting applicants are dependent in most instances on the release of facilities by customers who discontinue service.

"The increase in telephone demand, both for installations and for long distance, continues its pronounced upward course. The splendid cooperation and understanding of the public make an almost impossible task an inspired undertaking to our men and women, who, 'with more to do with less to do it with', are doing their utmost, with their characteristic resourcefulness, ingenuity, courage and courtesy, to 'take the message through'."

NEW BABIES

Local couples receiving congratulations on the arrival of new babies include: **Mr. and Mrs. Clarence N. Asher,** Daly City, a son born, March 16; **Mr. and Mrs. Gail Barnum,** Colma, a daughter, March 18; **Mr. and Mrs. Raymond Bradley,** Daly City, a son, March 22; **Mr. and Mrs. Albert Capurro,** Colma, a daughter, March 25.

COLMA PTA

Tuesday, April 11, at noon, Colma P. T. A. will hold a pot-luck luncheon at Jefferson annex, preceding their installation ceremonies. All members and friends are urged to be present.

The list of officers for the new term is headed by Mrs. Dorothy DeLeon as president.

Daughters Of Israel

The Daughters of Israel, who have been giving a public whist party every third Thursday of the month, announce that they will hold no further whists for the duration.

The regular second Wednesday and fourth Thursday meetings for members will be held as usual at 67 Los Banos avenue.

Ask Passage Of Proposition

Passage of proposition No. 1 on the May 16 ballot, which would take out of the California constitution the three words that prohibit the state taxing property belonging to the United States government, is recommended by the board of directors of California Taxpayers' association, the association announced today. It is estimated that in excess of $6,500,000 of presently prohibited revenues would be received by the local governments through passage of the amendment.

In San Mateo county, 1,395 acres of land, 1-2 of 1 per cent of the 290,560 acres of area in the county, with an assessed value of $1,191,456 weer owned by the federal government as of September 1, 1943, the association stated.

The Daly City Police department has announced that, for the convenience of northern San Mateo county residents, drivers' licenses are being issued at the South San Francisco Police department, city hall, Grand avenue.

Public Schools Week

Dr. Walter F. Dexter, State Superintendent of Public Instruction, and John F. Brady, president of the California Teachers association, both issued statements to the public today urging the people to visit their neighborhood schools during Public Schools Week, beginning April 24.

By such visits, said Dr. Dexter, the public will have an "opportunity to see education functioning under the circumstances brought about by the stress of war."

Dr. Dexter continued: "Accordingly they will appreciate the fact that our teachers and students can face emergencies with poise and determination. No doubt in many instances they will be surprised to learn that the work is proceeding in a reasonably normal way. They will find both teachers and students devoted to the task of giving continuity to our local, state and national life."

READING & WRITING

BY Edwin Seaver AND Robin McKown

IMAGINE, if you can, that you are an American soldier in the North African desert. For weeks your whole life has been made up of sandstorms and shellings. Then, suddenly, a jeep drives up and out of it pours—Carole Landis, Mitzi Mayfair, Martha Raye, and Kay Francis. As one of the boys, to whom this happened, put it, "I can't bear it."

CAROLE LANDIS

These four Hollywood glamour girls were sent over to Europe by the U.S.O. about two years ago. They went to Bermuda, to England, and to Africa, where they put on shows for hundreds of thousands of soldiers. They waded down muddy roads when they could find no other means of transportation, and once they narrowly escaped death when a bomber in which they were riding caught on fire. A good deal of the time they were cold, hungry, and dirty. Sometimes they were sick. They travelled under Army regulations, and had no special favors. But they received a royal welcome wherever they went, and had enough adventures, hilarious as well as harrowing, to set them up for life.

Carole Landis tells all about the grand tour in the book, "Four Jills in a Jeep." There will soon be a movie with the same title, starring the four heroines in real life. But our hunch is that some of the outrageously funny incidents in the book will never be picturized, for reasons you will discover for yourself when you read "Four Jills in a Jeep."

"Good reading, good fun, and good Americanas," says Dorothy Canfield of Carole's book in her review in the current "Book-of-the-Month Club News."

* * *

The man who found a nail in his broccoli, and wore it on his watch fob for years afterward; the centenarian who ate six boiled potatoes for breakfast every morning; the baroness who bought $90 worth of caviar a week, but sent her maid to Second avenue to buy oranges because she thought the hotel price of forty cents a glass too expensive—these are a few of the fantastic real life characters in Thomas Mario's "The Face In The Aspic," an account of the inside life in the confines of one of New York's most exclusive men's clubs.

The war finally caught up with this club. Shortly after Pearl Harbor, a young man dressed as an ordinary gob, walked in and threw his cap to the clerk. In peace time no one less than a commissioned officer would have dared venture in. But the sailor was a member in good standing, a Social Register family, and there was nothing the management could do. One can be sure the club will never be the same again.

Easter Feasters

By BETTY BARCLAY

Oh! Those who once served ham today,
At ration points are kickin'
And celebrating with a goose,
A turkey or a chicken.

Orange Chrysanthemum Salad

6 Navel oranges
1 cup unpeeled apple slices
Lemon mayonnaise
Salad greens

Cut tops from oranges. Remove meat in pieces. Cut orange shell to imitate petals of chrysanthemum. Combine orangé, apple and dressing. Fill shells. (Serves 6.)

Popovers

1 cup sifted flour
½ teaspoon salt
2 eggs
1 cup milk
1 tablespoon melted butter
½ cup Grape-Nuts Flakes

Sift flour once, measure, add salt and sift again. Beat eggs until light; add milk and butter. Add gradually to flour, beating with rotary egg beater 1 minute, or until batter is smooth. Fold in flakes. Turn into greased custard cups or sizzling hot iron muffin pans, filling about ⅓ full. Bake in hot oven (425° F.) 20 minutes; then reduce heat to moderate (350° F.) and bake 20 minutes longer, or until firm. Makes 8 to 10 popovers.

Easter Punch

4 cups freshly made, chilled decaffeinated coffee
1½ pints ice cream or sherbet
Grated nutmeg

Pour the decaffeinated coffee over a pint of ice cream in a punch bowl or big mixing bowl, and blend lightly with an egg beater until the ice cream is partly melted. Add additional ice cream in spoonfuls to the punch. Sprinkle with grated nutmeg. Vanilla, coffee, or chocolate ice cream or orange sherbet combines well with the coffee flavor. When you serve this decaffeinated coffee punch, everybody can relax taut nerves and linger over extra cups without worry about sleeping problems.

Toasties Kisses

2 egg whites
1 cup sugar
¼ teaspoon salt
1 teaspoon vanilla or almond extract or grated orange rind
3 cups Post Toasties

Beat egg whites until stiff, but not dry. Combine sugar and salt; fold into egg whites gradually. Add flavoring and fold in cereal. Drop from teaspoon on greased baking sheet. Bake in moderate oven (350° F.) 15 minutes, or until done. Makes 3 dozen kisses.

Miss Jane Warshawski Weds At Beverly Hills

Miss Jane Hope Warshawski, attractive daughter of Mr. and Mrs. Henry Warshawski, well-known Daly City business people, became the bride of Sergeant Charles F. Krahenbuhl at a ceremony performed by Rabbi Edgar Magnin at his Beverly Hills home, late Saturday afternoon, March 25.

The bride wore a grey dress suit. She chose black accessories to complement the pretty outfit and her corsage was of white orchids. Her only attendant was her twin sister, Miss Maxine Warshawski, who wore a powder blue dress and had a corsage of baby orchids.

Best man was John Hughes.

After the wedding ceremony the bridal party enjoyed a dinner at the Biltmore Bowl in the Biltmore hotel, Los Angeles. Their table was attractively decorated with flowers and a three-tiered wedding cake was the centerpiece.

Those present for the ceremony and dinner, in addition to the bride and groom and their attendants were Mr. and Mrs. Henry Warshawski, Mr. and Mrs. Samuel Gayne, Mr. and Mrs. Alfred Hart, Mrs. Max Wilkinson, all of San Francisco, and Mrs. Florence Bine, of Los Angeles.

The bride is a graduate of Balboa high school and attended San Francisco junior college. For the past three years she has been a clerk at her father's store, 6340 Mission street. The groom, who is in the United States Marine Corps, formerly resided in Independence, Missouri.

Sergeant Krahenbuhl is stationed at Ocean Side and the couple have taken an apartment at Laguna Beach.

INDEPENDENCE

Incumbents Fahey and Cavagnaro, in standing for election, have never exchanged their independence of action to any group for its support. No candidate whose activities in civic affairs will be shackled by promises made to any group should be granted the office. Local taxpayers are entitled to unbiased effort in the conduct of Daly City government.

INTEGRITY

During their terms in office, the incumbents have repeatedly been approached by interests whose requests would, if granted, have been detrimental to the common welfare of Daly City. Much of their opposition undoubtedly comes from such sources. An outstanding record of personal integrity and honesty in office has been earned by Fahey and Cavagnaro.

News From District Grammar Schools

AT WOODROW

Correlating with their unit of work the pupils of the high eighth grade had the opportunity of seeing a film on the Declaration of Independence.

A study of the major water projects, particularly those located in the Pacific Northwest and California, has been undertaken by the pupils of Room 4. Much emphasis has been placed upon the Central Valley project of California and how California is to benefit from such an enormous undertaking.

The students of Room 8 have provided Easter decorations for their room by coloring and cutting out Easter chicks, ducks, and bunnies.

Much progress is being made on the booklets that the students are making on "Ancient Civilization."

Room 9 enjoyed seeing a film on farming among the people of China.

The pupils of Room 12 have been writing each Friday the music story heard on the Standard School Broadcast the preceding Thursday. Last week's broadcast was of special interest to the children.

The children of the low and high fifth are studying about the hardships of the pioneers and comparing their every-day life with ours.

"The Days of '49" is the attractive title for the high fourth's new unit. They are beginning this study with a survey of early San Francisco and its relationship to the gold mining country.

AT JEFFERSON

Last Tuesday was the great Special Day at Jefferson elementary school this week, for it was the day of the annual decorated Easter egg contest. The children decorated hard boiled eggs to represent people and their buoyant originality was unrepressed. Some of the characters portrayed were 'Uncle Sam' to typify Bond Selling; Hitler for Loose Talk; the Mad Russian, Humpty Dumpty and the Class Dunce.

In the eighth grade, George Giampoli and Doris Parodi were adjudged the winners with Mary Ann Bartels and Carolyn Fuchs receiving honorable mention. In the seventh grade the winners were Ada Johnson and Angelo Gianni with Claire Mallory and Joseph Rose receiving honorable mention.

Last week the fifth grade was so impressed by a set of posters designed to inculcate good manners that they decided to make up a set of ten good manners for their own particular use. The rules are very definite and concise. They begin with 'Do not push people around,' and include 'Don't be snoopy' and 'Don't shut a door in anyone's face.' The rules were placed on the bulletin board as a constant reminder.

The third and fourth grades had their long-awaited dramatization of "Snow White and Rose Red." The story was taken from their story reader. The drawing of the scenery was done by Robert Galabic, Dudley Hill, and Robert Giorni. The prologue was read by Randall Joe Ross. The part of Snow White was read by Sara True, Rose Red by Nancy McCaffrey, the mother by Mary Louise Steinke, the parts of the Bear, Prince and Dwarf were taken by James Marshall, John Patton and Robert Giorni.

The new flower and seed unit of the second and third grade is progressing nicely. Some of the boys have made little boxes to be used in making a garden. Others have brought flower pots and seeds. It begins to look as if there will be enough seeds left over after planting to make a seed poster for the classroom.

AT CROCKER

Two pupils of Room 4 transferred to farming districts in California. James Rasor went to Madera to a fruit ranch and Lillian Gimle's family is going to raise turkeys on a farm near Turlock.

Recently the pupils of Room 2 were shown lantern slides called "Southern Lands." These views depicted ways of living in Antarctica and the chief industries in Australia.

Last week the students of Room 3 participated in Easter season activities.

Wade, Gloria and Katherine decorated the bulletin board very appropriately. Each student brought a hard-boiled egg and decorated it with crayons, cotton and paper.

Room 6 brought some interesting specimens of coral to school in connection with the study of current events. The class had been reading about the coral atolls in the South Pacific.

MEET THE CANDIDATES

Edmund Cavagnaro

As this campaign draws to a close I wish to extend my thanks to all our citizens for their cooperation and support during my past eight years as councilman. On two different occasions, eight years ago and again four years ago, both Mr. Fahey and myself were selected as your city councilmen by the largest vote ever to be given candidates for city council posts.

I believe that my record during the past eight years speaks for itself. During that period I have at all times followed the wish of the people for an efficient and economical city government.

We often hear the expression, "Those who are the least governed are the best governed." That may quite possibly be true but I prefer the version, "Those who govern themselves are the best governed." I believe that during my service on the city council I have truly represented and reflected the views of the people themselves and that the government of our community has been for the best interests of all our people.

I pledge, with your approval at the polls for myself and my colleague, that the same capable administration you have enjoyed in recent years will continue.

(Signed) Edmund Cavagnaro

Edward J. Dennis

The response to my campaign to city council has been most gratifying, and I am grateful to my many friends for their support, and especially to organizations which have endorsed me. I am proud of the fact that I am being supported by the Daly City Better Government Club, the San Mateo County Central Labor Council, and the Five Township Clubs of San Mateo County.

In my campaign I started early to discuss all the important issues involved in this campaign, so that the opposition could have ample opportunity to reply in kind. I have kept the campaign clean, devoid of personalities, and confined strictly to the public's business.

It is my sincerest hope that the people of Daly City will take an active interest in this election. City business is your business, and unless you safeguard it with your vote at the polls, you are inviting indifference and mismanagement. If all communities assured themselves of good local government, then we need never fear about state or national government.

I urge every citizen to analyze the issues of this campaign, and then by all means go and vote. I have pledged my full support as your city councilman to every constructive measure for Daly City's wellbeing, while remembering that you who pay the taxes are entitled to every consideration. We must look to the future, and plan to build a greater and better community.

(Signed) Edward J. Dennis

John J. Fahey Sr.

This week, as the campaign draws to a close, I would like to pledge again that I will do my best to provide Daly City with an honest, efficient administration if re-elected. As in the past, I will continue to serve ALL the people and no particular group.

I wish to thank those who have given their support to my candidacy. During the time I have served this community as city councilman and mayor I have done my best to make every decision which faced the governing body of the city with the impartiality necessary to arrive at action most likely to result in good for the entire city.

On the basis of my official record I ask your support at the polls, Tuesday, April 11.

Since this is the last of these letters which will appear prior to election, I should like to urge that everyone go to the polls, Tuesday. It is only when the people exercise their right to selecting public officials that the best and most representative government can result.

(Signed) John J. Fahey

Burton L. (Bert) Meritt

This is the last week of the campaign for city council, and Tuesday the citizens of Daly City will decide who is to fill the two council posts to be voted upon at that time. I have received wide support in my contest for the council office, and I am grateful to the many who are helping in my campaign, and to the Daly City Better Government Club, the San Mateo County Central Labor Council and the Five Township Clubs of San Mateo County for their endorsements. I know they will be valuable.

It is my opinion that the people of Daly City are faced with an important decision, Tuesday, and I sincerely hope they will all participate in the election. We can have good government only when the people will it, and they can do this only by voting.

I have discussed many things I believe the people of the city are interested in, and I believe they are important. Especially important is planning for the post-war era and for the future of Daly City, this requires vision, and a true interest in the city's welfare. I am prepared to devote whatever time and effort may be required in the service of the city, and I shall consider it an honor and a privilege.

It seems too bad that some of the glowing plans we now read about haven't been advanced and put into effect before the eve of a political campaign. I have waged a campaign I believed fair and just, and the issues I have discussed have been only those with which the people should be familiar. I trus tthere will be nothing to mar the dignity and fairness thus far manifest.

WHAT ARE WE FIGHTING FOR?

Victory is never cheaply bought. It is only a means to an end. What is that end? What are we fighting for?

We are fighting for liberty, the most expensive luxury known to man.

We fight for simple things—for the little things that are all important.

We fight for schools built on a foundation of books, not bayonets.

We fight for town meetings, for the high school debating team, for open doors to cathedral, church and synagogue.

We fight for the right to organize for any decent purpose; for labor; for employers; for the Grange and the Legion and the Ladies' Literary Club, and for lodge meetings in full regalia on Tuesday nights.

We fight for our candidate for sheriff and for the other fellow's candidate; and for the right to be sorry we elected him and to say so.

We fight for the country editor and for the metropolitan daily, and for the editor's right to say the wrong thing if he thinks it's right.

We fight for free radio, for the right to to listen to what we want and to turn off what we don't want.

We fight for the right to work at jobs of our own choosing; to read the books we want to read; to listen to the music that pleases us, without regard to the race or nationality of the composer.

For these things we fight.

Pointed Design

CLEVERLY MATCHED in design are the natural lace tuscan hat and handbag chosen by CBS actress Laura Mae ("Aunt Jenny's Stories") Carpenter from the New York collection of Mme. Pauline originals. A discreet sprinkling of gold paillettes accents the flattering widow's peak of the pill box, and the handbag echoes the pointed style in soft red silk tubing.

King Coffee's Affinity

By Frances Lee Barton

IF coffee is the King of beverages, coffee cake must be a Queen, for it is surely the affinity of coffee — for breakfast, lunch or that before-bed bite. It's a favorite with all who try it — even those who do not use coffee. It's easy to make and economical. What more could you ask for?

Raisin Coffee Cake

2 cups sifted cake flour; 2½ teaspoons double-acting baking powder; ¾ teaspoon salt; 2 tablespoons sugar; 2 tablespoons cold shortening; ¼ cup chopped raisins; ½ teaspoon grated orange rind; 1 egg, well beaten; ½ cup milk.

2½ tablespoons sugar; ¼ teaspoon cinnamon; ⅛ teaspoon nutmeg.

Sift flour once, measure, add baking powder, salt, and sugar, and sift again. Cut in shortening in small pieces and add to flour. Cut in shortening, using pastry blender or finger tips, until mixture is as fine as meal. Add raisins and orange rind. Combine egg and milk, add to flour, then stir only until all flour is dampened. Spread in greased 9 x 9 x 2-inch pan. Mix sugar and spices together and sprinkle over batter. Bake in hot oven (425° F.) 16 minutes.

This is a mechanized war. Abroad, everything depends on the number and condition of machines our men have, while the home front must depend on the condition in which the remaining cars are kept. Economical repairs are the ones which last longest.

LARGE SELECTION OF VARIETIES

MAKE YOUR Ration Points COUNT

It's true many of we Americans are experiencing for the first time, a shortage, or rather a limitation of some things we want to buy. We are allowed to purchase only a given quantity of meats during a stated period.

However, the limit is put on the amount of meat purchased, not on the amount of food value derived from the meat. Wise spending of ration points stretches their buying power.

Good quality meats, cut to your order, and sold at economical prices, will help solve your wartime food problems. And that's the prescription we fill at the Farmers Meat Company.
